

2014 PRODUCT COLLECTION

Inspired by exciting possibilities, we create beautiful and innovative products. We design around this vision, bringing in passion, excellence in craftsmanship, and openness to bold, new ideas.

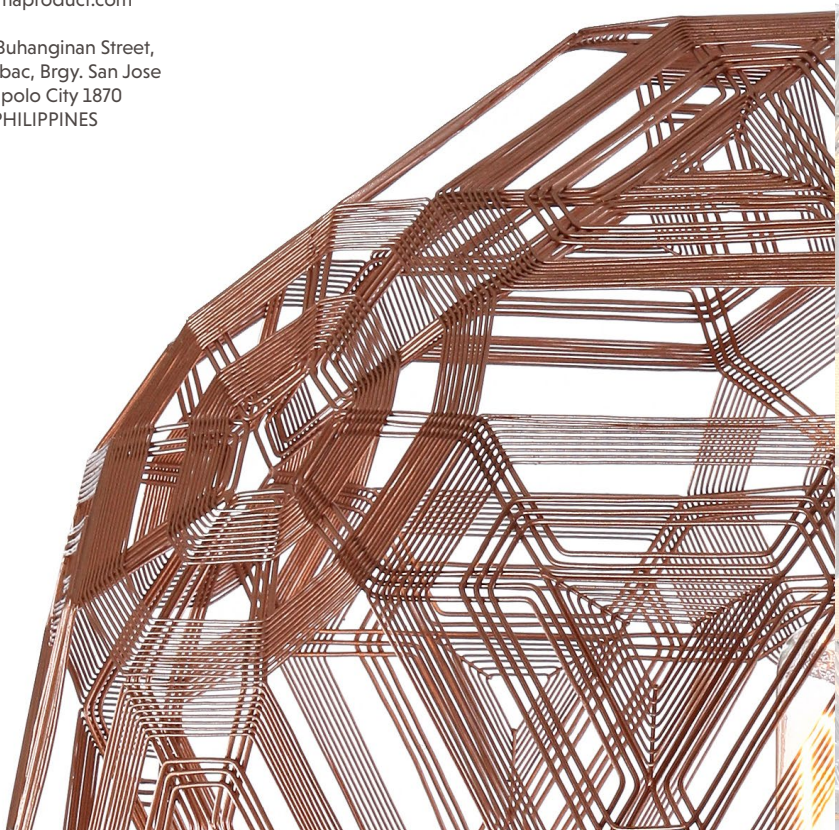

Through the malleable medium of metal wires, we mold simple patterns into complex shapes. Deliberate and designed carefully, weaving together art and craft.

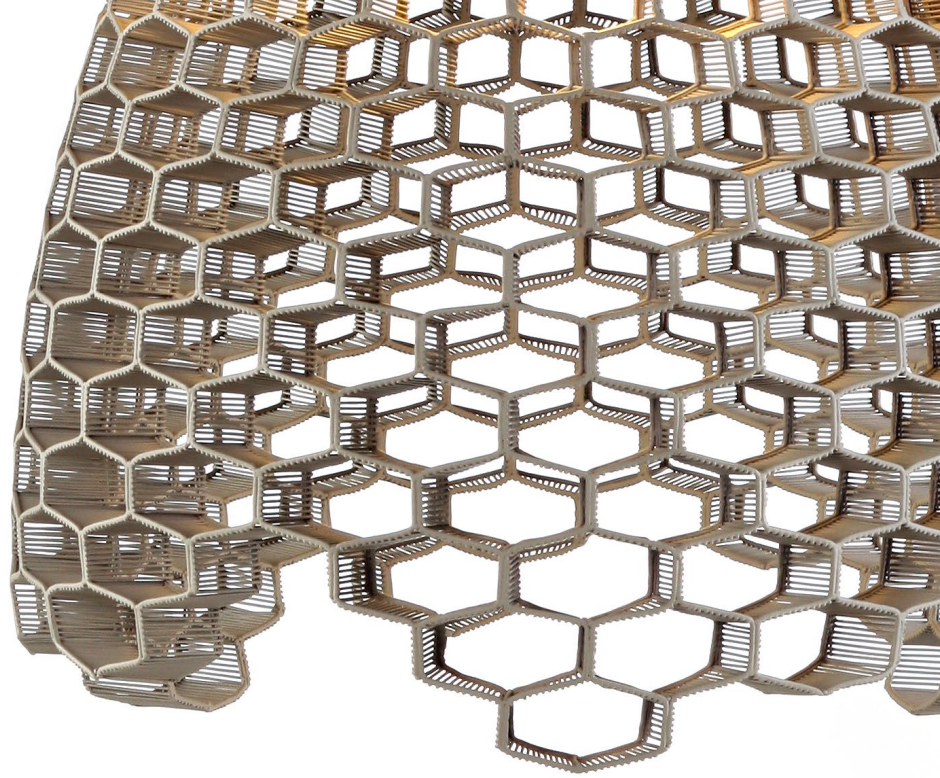

Centered on hardwork and creative integrity, we're ready to brighten up and delight more people with our work.

Behind the Trademark.

Dedicated Artisans who share a passion for quality craftsmanship and bold, new ideas are behind the Schema brand. It is because of this shared passion that Schema products present a new dimension in the definition of "hand-made". Schema's current collection ranges from lighting to home decoration products.

Commitment to Artistry.

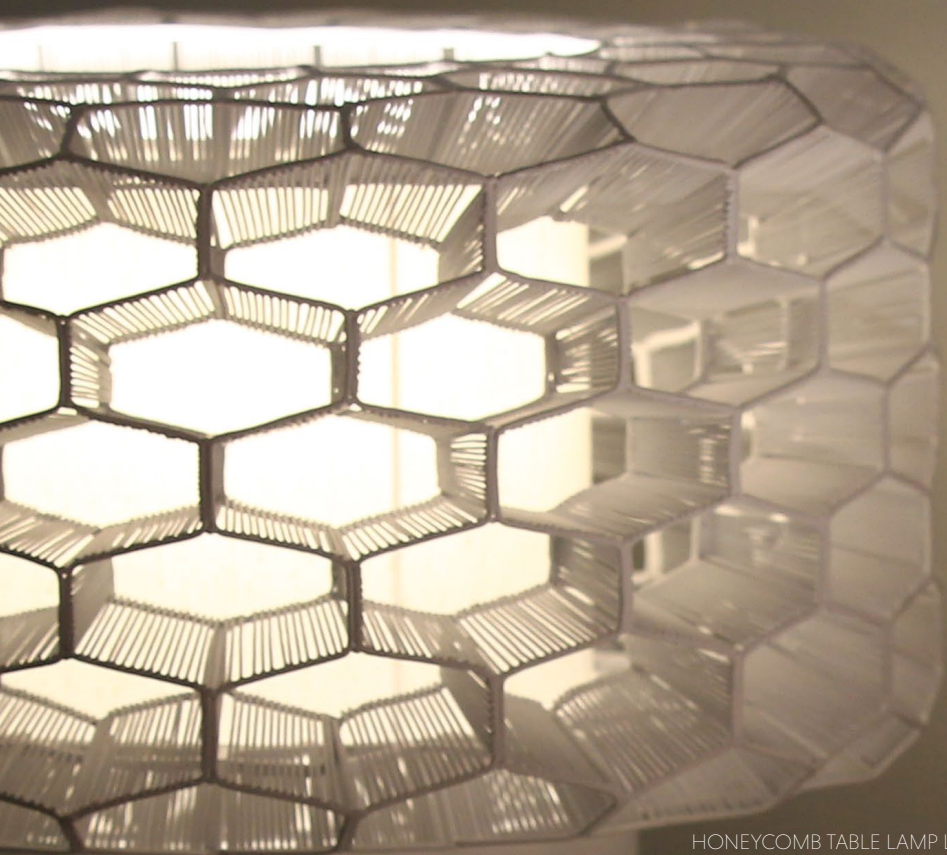

By utilizing metal wire as the raw material, Schema weaves together the art and craft in its handmade products. With this malleable medium, Schema artisans are able to develop simple forms to complex shapes and surprising patterns making Schema products uniquely distinguished.
